

POLICY AND PROCEDURE ON CREATING AND MAINTAINING INCLUSIVE ENVIRONMENT

Policy of the College:

Arulmigu Palaniandavar Arts College for Women, Palani has been started with the noble vision of educating and empowering the rural women. In achieving this goal, the college community works with the deep-rooted consciousness of the given motives:

- Equalizing access to higher education
- Achieving academic integration and
- Developing socially inclusive campus

Need of the Day:

Acquisition of higher education helps one in overcoming many professional and personal 'disadvantages' by facilitating lifelong career opportunities. By offering equal educational opportunities, we could reinforce transmit of advantage from one generation to other. By optimizing human potential, the economic growth of our country also could be realized.

Procedure:

Arulmigu Palaniandavar Arts College for Women, Palani insists that equal opportunity for acquiring higher education must be given to the women in and around Palani. It strictly adheres to certain norms in

- Admission Procedures
- Teaching Learning and Processes
- Giving equal attention, care and mentoring to all learners.

Outcome:

Learners from disadvantaged socio-economic groups, first generation learners and those belonging to rural background can progress to higher education level. An inclusive growth can be attained. A fairer society can be created.
