Preamble:

The Department of Tamil is one of the earliest to be established by Arulmigu Palaniandavar Arts College for Women in 1970. It has made its foray into Postgraduate education in 1979 and attained the status of Research Department by introducing the M.Phil., Degree Programme in 2005. The Department, then as now, has carefully and thoughtfully planned its course content in order to offer students the best possible curricular experience and to offer upright, sensitive and intelligent citizens to society. Every subsequent curriculum revision has been premised on the assumption that society requires students who will serve as its mind, heart and future. Further, one of the major objectives of every curriculum designed by the Department has been the employability of the students upon their successful completion of the programmes.

Bloom's Taxonomy in fixing the Learning Objectives:

Since the Academic year 2019 – 2020, the curriculum for Part – I Tamil, B.A., (Tamil.Lit), M.A., (Tamil.Lit) and M.Phil., (Tamil.Lit) has been designed and the learning objectives and outcomes of the programmes are set, following the Bloom's Taxonomy Cognitive Domain.
