ANTI DRUGS COMMITTEE 2026-2027

Substance abuse has become an alarming health crisis on college/University campuses across the nation. Our college has constituted an Anti-Drugs Committee to ensure a drug-free campus by imposing a total ban on the possession or consumption or use of drugs and alcohol by students of the college, within or outside the campus/hostels.

Duties of the Anti-Drugs Committee:

- To organize awareness programmes in the college and hostels with the help of concerned authorized agencies/organizations.
- To educate the students about the ill-effects of drugs and alcohol.
- To encourage peer policing among students against the use of drugs and reporting of any noticed use of drugs by the students to the student's volunteers of Anti-Drugs committee.

Objectives of the Anti-Drugs Committee:

- To spread awareness to ensure a drug/substance free campus.

- To engage the students in Anti-Drug activities and educate them about the ill-effects.
- To motivate students to become volunteers of Anti-Drug activities in their life.
- To ensure no sale of drugs or alcohol in college premises.
- To prevent the initiation of drug use and the increase to addiction in those who have already initiated to use.
